

Welcome to Tech Ops Aviation Safety Action (ASAP) Program

A Safety Program for all Tech Ops Employees

ASAP Reporting is a two-step process.

1. Call ASAP HOTLINE at **(866) 394-7205** within 24 hours of an event.

Be prepared to enter:

- Employee #
- Date & time of event
- Aircraft #
- Brief summary of event

2. Submit your report online within 3 days of the Hotline call, **No FAX is required.**

Note: If reporting an immediate airworthiness concern, call MX Control Number: 469-603-0399 or SDN: 8-662-0399. Let the Controller know that your call is associated to an ASAP report.

Online Report:

Use the link "[ASAP Report Help](#)" to walk you through the online reporting steps and the FAQs to answer commonly asked questions.

Click the "**Launch ASAP**" link on the navigation bar above to begin your online report.

Have a question? Use the link to the right to access your ASAP Rep's contact information in the ASAP Information portal.

Thank you for reporting with ASAP.
