Primary and Alternate AMFA – SWA ASAP ERC Representatives Election Notice

AMFA National is conducting an election for the positions of Primary and Alternate AMFA – Southwest Airlines (SWA) Aviation Safety Action Program (ASAP) Event Review Committee (ERC) Representatives.

The Primary AMFA ASAP Representative will serve as the SWA membership's representative on the Southwest Airlines ASAP ERC and shall report to the National Safety & Standards Director, or his designee. At this time it is anticipated that the AMFA ERC Representative will serve full-time based at the SWA maintenance facility in Dallas, TX. The term of service will commence on July 1, 2008, and will expire at 11:59 PM ET on June 30, 2010, or upon termination of the program, whichever occurs first. The Alternate will serve in the event the Primary is unavailable.

Votes for this election will be cast using the TrueBallot Inc., WebVote® and TeleVote® systems. All active AMFA members in good standing employed by Southwest Airlines are eligible to vote in this referendum. **Note:** Any member whose membership dues, fees, and/or assessment obligations have not been paid in full is a member in bad standing, and therefore, their vote will be eliminated prior to the vote tally. Members are strongly urged to resolve any arrearage prior to the tally so their vote will be counted.

The election notice and voting instructions will be mailed to eligible voters at the address on file with AMFA National as of April 28, 2008. Any eligible member who has not received voting instructions in the mail by May 12, 2008, or anyone having questions about the voting process, should contact the Elections Administrator at 720-744-6629.

In an effort to provide AMFA members with basic information about candidates for union office, AMFA National has offered all candidates in this election an opportunity to submit a candidate profile along with their picture. Candidate Profiles may be viewed on the AMFA National Web site at <http://www.amfanational.org> under the heading Elections and Referenda.
