NOTICE TO ALL MEMBERS

June 1, 2010

The Company recently emailed information to all Members about a new Workers' Comp Provider, Coventry. Within this information is a form to be signed agreeing to the terms of the Coventry plan. The Union believes the Coventry plan is in conflict with the Mechanic's and Appearance Tech's Collective Bargaining Agreements.

The Union has requested clarification from the Company on the terms of the plan that pertains to choosing a physician. It appears that the plan does not allow the employee to choose a physician outside the Coventry network.

**DO NOT SIGN THE TERMS OF
AGREEMENT FROM COVENTRY
UNTIL THIS ISSUE IS RESOLVED!**

Fraternally,
